A BILL

To impose additional prohibitions relating to foreign boycotts under the Export Control Reform Act of 2018, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Israel Anti-Boycott
3 Act”.

4 **SEC. 2. SENSE OF CONGRESS.**

5 It is the sense of Congress that—

6 (1) the Government of the United States should
7 use its voice, vote, and influence with and in inter-
8 national governmental organizations to actively op-
9 pose politically motivated actions to boycott, divest
10 from, or sanction Israel;

11 (2) the Government of the United States com-
12 bats anti-Israel boycotts and other discriminatory
13 activity under the Export Control Reform Act of
14 2018 (subtitle B of title XVII of Public Law 115–
15 232), under part VI of title X of the Tax Reform
16 Act of 1976 (Public Law 94–455; 90 Stat. 1649)
17 (commonly referred to as the “Ribicoff Amend-
18 ment”), through trade promotion authorities, in free
19 trade agreements, and in accession negotiations to
20 the World Trade Organization; however, due to the
21 increased anti-Israel economic activity in inter-
22 national governmental organizations, it is necessary
23 to update Federal authorities to combat anti-Israel
24 boycotts and other discriminatory activity in such
25 fora, including the United Nations Human Rights
26 Council;

1 (3) actions to boycott, divest from, or sanction
2 Israel represent a concerted effort to extract conces-
3 sions from Israel outside of direct negotiations be-
4 tween the Israelis and Palestinians; and

5 (4) the United States-Israel Strategic Partner-
6 ship Act of 2014 (Public Law 113–296; 128 Stat.
7 4075) should be fully implemented through en-
8 hanced, governmentwide, coordinated United States-
9 Israel scientific and technological cooperation in ci-
10 vilian areas, such as with respect to energy, water,
11 agriculture, alternative fuel technology, civilian space
12 technology, and security in order to counter the ef-
13 fects of actions to boycott, divest from, or sanction
14 Israel.
